Teamwork and Teampay

The ability to work as a group; to effectively communicate; to collectively solve problems; to resolve conflicts; to efficiently manage resources and to share in an exhilarating group experience, builds a sense of community that translates powerfully to building team spirit, team unity and loyalty. Cooperative, challenge and adventure-based activities provide an interesting and fun method for strengthening and applying these skills.

Corporate Teambuilding Programs

Mini Olympics

This is a series of sports-based team events with "a little twist" that has teams competing against each other and the clock. This program is designed to be light, fun and exciting from the opening ceremonies until the closing ceremonies.

The Amazing Race

Teams must find a series of checkpoints and successfully complete each task that awaits them. This is an exhilarating race that will take participants on a journey around the resort looking for flags; deciphering clues, and tackling unusual team tasks.

Survivor Challenge

Adventure-based team challenges that build confidence, cooperation and teamwork. Teams are challenged to work together to accomplish tasks by using playful ingenuity, communication, and problem solving skills.

Low Ropes Course

This program will challenge participants to work a little outside of their comfort zone and create an atmosphere where trust, communication and out-of-the-box thinking and are always at work. The activities tackled are designed to incorporate group planning and debriefing stages and identify individual roles and strengths.

Paying It Forward

The program is about giving back to the community. While participating in a teambuilding experience, participants are partnered with one of our local organizations and charities. Whether you choose to contribute to the local food bank; families in transition; child and youth services; school lunch programs or any other myriad of opportunities, each program will be unique for your group and promote connection, intention and purpose. While the steps might be simple, the outcome could change the world. One act of kindness can change everything.

Communication Combat Challenge

Through the use of various hands-on activities this program will identify the diverse roles of the group, strengths of team members and the effectiveness of their communication patterns. This action-based learning takes place indoors or outdoors and requires cooperation, trust, leadership and innovative problem solving.

The Scrambler (Indoor program)

This is a three-part program which has teams scrambling all over the hotel searching, gathering and implementing a game plan to efficiently and successfully travel throughout the resort as a team. Using photographs teams must locate the correct destination and the correct angle at which the photo was taken, and complete a specific task to continue moving forward. Teams will also be given a set of clues that lead to specific areas in the hotel in search of scrambled letters. As well, teams will need to find and collect certain unusual items from a collaborated list.

Drumunity (Specialty 1.5 hour indoor program)

This is a "hands-on" drumming circle where drums will be used as a tool for communication empowerment, bringing people together and sharing very positive vibrations amongst all participants. This rhythm-based event helps synergize your corporate communities' intentions and goals by bringing participants to a place of common purpose while generating a high degree of energy and laughter. All instruments will be provided by the program coordinator.

Pricing starts at \$650.00 for up to 20 ppl. (program maximum is 40ppl).

Geo-Compass Challenge

Situated within 300 acres, your group will be looking to discover various hidden treasures while enjoying the winter air and the quiet open space. Each team is given a mission kit to aid them on their journey and a compass with a number of coordinates to help them locate their destinations.

Fees start at \$650.00 for a 1.5 hour program for up to 40 participants.

*** Additional charges will apply for groups larger than 40 people.**
